Text Arne Babenhauserheide, to the melody of Bella Ciao

Am
At one morning, one early morning,

  Bella ciao, bella ciao,
      Am7
  bella ciao, ciao, ciao!

      Dm   *Am*
One morning, one early morning,
  E7   *Am*
you have sent a careless note.

Now all my colleagues, yes all my colleagues

  Bella ciao, bella ciao,
  bella ciao, ciao, ciao!

Now all my colleagues, yes all my colleagues
we are laughing at your words.

Our algorithm, on your smartphone

  Chatcontrol, chatcontrol,
  chatcontrol control,

The algorithm, on your smartphone
it had flagged it for review.

And that one colleague, one too nice colleague,

  Chatcontrol, chatcontrol,
  chatcontrol control,

And that one colleague, one too nice colleague,
sent it on to old bad Vlad.

And now the old Vlad, ves that old Vlad,

  Chatcontrol, chatcontrol,
  chatcontrol control,

And now the old Vlad, ves that old Vlad,
grins wide when he meets EU

For with that smiling, that knowing smiling,

  Kompromat, kompromat,
  kompromat Eklat,

For with that smiling, that knowing smiling,
he can bind your aunties will.

So Von der Leyen, that Von der Leyen,

  Kompromat, kompromat,
  kompromat Eklat,

So Von der Leyen, that Von der Leyen,
will fulfill his every wish.

So if you value, our EU values,

  Chatcontrol, chatcontrol,
  chatcontrol control,

So if you value, our EU values,
you must now take to the street.

And save this flower, this blooming flower

  Bella ciao, bella ciao,
  bella ciao, ciao, ciao!

And save this flower, this blooming flower
from the threat of Chatcontrol.

Don't give such power, to future fascists,

  Bella ciao, bella ciao,
  bella ciao, ciao, ciao!

Don't give such power, to future fascists,
Chatcontrol endangers all.
