

42: GNU is the Answer

GNU started [exactly 42 years ago](#).

Happy Birthday to GNU,
Happy Birthday to GNU,
Happy Birthday not Unix,
Happy Birthday to GNU.

GNU 42 around the web

- Mastodon: [42: #GNU is the answer](#).
- Decentra Lyzed: [Happy 42th birthday to GNU](#)
- ricardo: [happy birthday to GNU... it's made so much computing possible...](#)
- Alex Oliva: [the 42nd year of the era of the GNU](#)
- nixCraft: [Happy 42nd birthday GNU project](#)
- THEWATCHTOWERS: [Happy Birthday #GNU](#)
- streetcoder: [Free Software - Free Society really inspired me](#)
- linux italia: [42 anni fa nasceva GNU!](#)
- Linux Magazine: [Celebrating 42 years of software freedom!](#)
- fsf Latin America: [Happy Hacking To You](#) (image)
- Freedo: [I bring you joyful news](#)
- 11 redditors: [Viva la revolución](#)

Why is 42 special?

[42 is the answer](#). But no one can know what the question is.

Thanks for the spaceship image goes to Fernando de Souza Bastos (copyright 2022 – 2025) and the figchild package under the LaTeX Project Public License v1.3c or later. See <http://www.latex-project.org/lppl.txt>.
